

Wood Pasture & Parkland grants in Countryside Stewardship

Full details available at

<https://www.gov.uk/countryside-stewardship-grants>

Wood Pasture grants in CS

Ecological functioning of wood pasture includes the following three core elements:

1. Establishment and retention of open grown trees and a significant volume of deadwood in perpetuity
2. A scrub mosaic (ideally with conditions for natural regeneration of trees and shrubs established and maintained)
3. Large herbivore grazing

Management options are available in Mid Tier and Higher Tier

Creation and restoration options are available in Higher Tier only

Wood Pasture grants in CS

Annual management options

Lowland (outside the SDA)

- WD4: Management of lowland wood pasture and parkland (£148/ha)
- WD5: Restoration of lowland wood pasture and parkland (£329/ha)
- WD6: Creation of lowland wood pasture (£499/ha)

Upland (inside the SDA)

- WD10: Management of upland wood pasture and parkland (212/ha)
- WD11: Restoration of upland wood pasture and parkland (£316/ha)
- WD12: Creation of upland wood pasture (£333/ha)

Wood Pasture grants in CS

Supporting options & supplements

- WD3: Woodland edges on arable land (£376/ha)
- WD7: Management of successional areas and scrub (£83/ha)
- WD8: Creation of successional areas and scrub (£128/ha)
- WD9: Livestock exclusion supplement - scrub and successional areas (£74/ha)

- SP3: Bracken control supplement (£175/ha)
- SP6: Cattle grazing supplement (£39/ha)
- SP8: Native breeds at risk supplement (£142/ha)

Wood Pasture grants in CS

Capital items

- TE2: Planting standard parkland tree (£24.50/tree)
- TE7: Tree guard (wood post and rail) (£59.50/guard)
- TE8: Tree guard (wood post and wire) (£84/guard)
- TE9: Parkland tree guard - welded steel (£170/tree)

- SB1: Scrub control and felling diseased trees (£260 - £1680/ha)

- FG1: Fencing (£4/metre)
- FG2: Sheep netting (£4.90/metre)
- FG12: Wooden field gate (£390/gate)

Wood Pasture grants in CS

Capital items (continued)

- LV1: Cattle grid (£835/item)
- LV2: Livestock handling facilities (Up to 80% of actual costs)
- LV7: Livestock troughs (£110/item)
- LV8: Pipework associated with livestock troughs (£2.65/metre)

- FM2: Major preparatory works for priority habitats (creation and restoration) and priority species (Up to 100% of actual costs)

- PA1: Implementation plan (£1,100 per plan)
- PA2: Feasibility study (Up to 100% of actual costs)
